(54) Title: ABSORBENT ARTICLE WITH SKIN CARE COMPOSITION

(57) Abstract

An absorbent article having a skin care composition is disclosed. The absorbent article has a body surface and a garment surface. The absorbent article comprises a topsheet disposed at the body surface, a backsheet disposed at the garment surface, and an absorbent core disposed therebetween. At least a portion of the absorbent article is provided with a skin care composition. The absorbent article has a preferential acquisition zone and a skin care zone. The preferential acquisition zone covers at least a portion of the vulva of the wearer when the absorbent article is applied on the wearer's body. The skin care zone is provided with the skin care composition of greater basis weight than the preferential acquisition zone.
